Dear Zhiliang Tian,

We are pleased to inform you that your submission

Paper ID: 5

Title: Argumentative Relationship Recognition Based on End-to-End Multitask Learning

has been ACCEPTED as a Research Track paper for presentation at IJCKG2023.

You will have the opportunity to present your work during the conference.

Reviews for your submission are attached to the bottom of this email.

In preparing your final camera ready version, please ensure that you take into consideration suggestions and comments from reviewers.

The deadline for the final camera ready version is

Monday October 30, 2023.

Detailed instructions for camera-ready paper will be sent later.

Finally, at least one author of the accepted poster or demo paper MUST register for the main conference.

The registration site will be open soon at the following URL:

<https://ijckg2023.knowledge-graph.jp/pages/attending.html>

Best regards,

IJCKG 2023 Program Chairs.
